

Asia Pacific Microwave Conference (APMC2008)

Notes to the presenters

(i) Interactive Sessions A1-A6.

Each presenter will be provided with 2 boards for posting his/her work. The size of each board is 1385mm (height) x 975mm (width). A small table will be provided for putting his/her notebook computer, which can be used to promote his/her work through a Powerpoint and/or multimedia presentations.

(ii) Oral sessions

Only the Powerpoint presentation will be supported, so please bring along your Powerpoint file for your presentation. Each speaker will be given 15 minutes for his/her presentation, followed by a 5-minutes Q&A (question and answer).
